## *The Girl on the Train*

Rachel takes the same commuter train every morning. Each day she rattles down the track, past a stretch of cozy suburban homes, and stops at the signal that allows her to daily watch the same couple breakfasting on their deck. She's even started to feel like she knows them. "Jess and Jason," she calls them. Their life – as she sees it – is perfect.

And then she sees something shocking. It's only a minute until the train moves on, but it's enough. Now, everything's changed. Unable to keep it to herself, Rachel offers what she knows to the police, and becomes inextricably entwined in what happens next, as well as in the lives of everyone involved.

Compulsively readable, *The Girl on the Train* is an emotionally immersive, Hitchcockian thriller and an electrifying debut.
