

ABOUT THE AUTHOR

Unlike most authors, Veronica Roth had a relatively quick journey to literary stardom, with her debut novel *Divergent* landing her on the *New York Times* best sellers list at the tender age of 22. Roth attended Minnesota's Carleton College for one year before transferring to Northwestern and graduating from the university's prestigious writing program. Literary agent Joanna Stampfel-Volpe of Nancy Coffey Literary recognized potential in Roth and signed her to a contract, securing a publishing deal with HarperCollins only four days after sending out the *Divergent* manuscript.
